A Great
Chance
for
Learning

The **International Student Center** works to contribute to the advancement of international exchange at Kagawa University by providing the necessary education, guidance and advice to international students studying at Kagawa University and to Japanese students who wish to study overseas.

Sanuki Program

The Center conducts “Sanuki Program” twice a year for international students to study Japanese language, Japanese and Kagawan culture and topics in Kagawa University.

Dormitories

- ◆ Kagawa University International House
- ◆ Hanazono International Dormitory
- ◆ Kaminocho International Dormitory

Activities in the Community

Throughout the seasons, students have numerous opportunities to engage with the local community in events such as cooking, sports, tea ceremony, and visits to factories and cultural sites.

Global Café

Kagawa University actively encourages Japanese students to study abroad. The **Global Café** offers multiple programs to students, enabling them to take advantage of the many opportunities and wonderful experiences that await them abroad. The **Global Café** prepares students for study outside of Japan by improving their communication skills via language classes, workshops and events in which both Japanese and international students participate.

EXPLORE Program

The EXPLORE Program, one of many available options for study abroad, allows Japanese students to study at universities with which we have a Memorandum of Understanding, such as Chiang Mai University and Universiti Brunei Darussalam.

International Research Initiatives

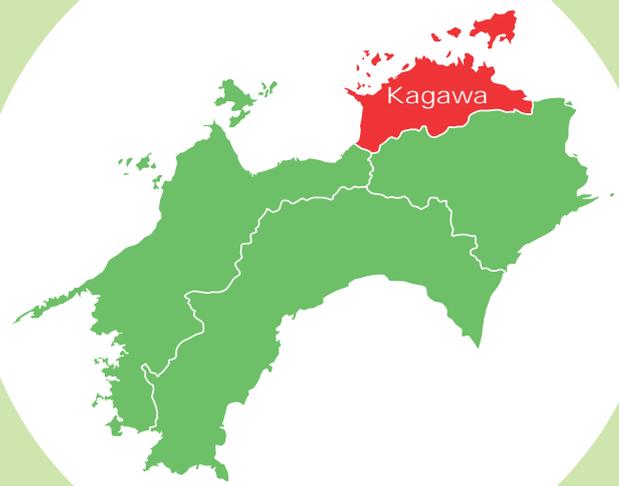

The **Center for International Research and Cooperation** plays a central role in supporting international research exchange activities and implementing strategies that conform to the university's internationalization policies. To contribute to the advancement of international academic exchange at Kagawa University, the Center is responsible for a wide range of activities including:

- (1) planning, developing, and implementing international joint research and global initiatives for SDGs (Sustainable Development Goals)
- (2) facilitating exchange with researchers in/from overseas research institutions
- (3) providing support for academic exchange with our main overseas education and research partner institutions
