## Looking back at the Fall Semester and.. moving ahead at the Global Café

The Global Café was busy during the Fall/Winter Semester. Events focused on **Switzerland**, the **UN**, **Scottish Culture**, as well as **Harvest Festivals** around the World. **International Week** (Dec 8th to 14th) was amazing. Guest Speakers made informative and motivating speeches, while students competed in the **Presentation and Haiku Contests**. To wrap up International Week, the Global Café hosted its first **Model United Nations Exhibition**. Nine students representing nine nations simulated a **United Nations** session. The topic was '**Stop Child Labor**'. Students made speeches about how to resolve this issue, then they debated and negotiated with other nations to make a Solution Agreement. Finally, they had to vote whether other nation's solutions were effective and fair. President Kakehi, Vice-President Hara, Dr. Tokuda, and Dr. Wada motivated the students with their comments and encouraging speeches. We are excited to announce we will have our **2nd MUN** on **July 13th**, so please participate. Lastly, '**Welcome to the Freshman Class of 2022**' and we invite you to **come into the Global Café** to check out this wonderful **Student Access Center**. See you soon...
