

Call for Papers

“The 3rd Trilateral Symposium on Sustainability”
(Strategies for Climate Action and Mitigation of Climate Change Impacts)

27th - 29th August 2024, Kantary Hills Chiang Mai, Thailand

Last updated: 9.4.24

1. Symposium Overview

Chiang Mai University in collaboration with Kagawa University and National Chiayi University are pleased to announce a call for participation of students, researchers and University members engaging in education, research and administration of the three universities to join us in the **3rd Trilateral Symposium on Sustainability**. The activities include the presentation and a discussion on the latest research and education activities aiming at the fostering of collaboration between the three Universities. The symposium will be organized in **Chiang Mai University** from **27th - 29th August, 2024** with the focus on Sustainability and “**Strategies for Climate Action and Mitigation of Climate Change Impacts**”. Both oral and poster presentation are welcomed. It should be noted that all the activities, including keynote lectures, oral presentations, and poster presentations, will be conducted using English.

If the submitted article has already been accepted or published elsewhere, the following remarks/disclaimers “*This works have been accepted or published previously in (Journal name, Volume, Page Number), the results presented herewith are for communication purposes of previously published work by the authors only*” must be clarified upon the registration.

Oral Sessions: Participation upon invitation only (except for students in Students Session)

Poster Sessions: Open call for all with Best Presentation Awards for students (in Students Session).
