

Skill up English

Instructor

Brusveen Amad (Assistant Teacher)

Class Dates

Thursdays 10:30 – 11:30

October 7th – December 23rd, 2021

Online Method

ZOOM

Class Summary

- The class will tackle certain skills such as note-taking, intensive listening, vocabulary building, speaking and critical thinking.
- The class will have several listening activities using videos or audio files. There will be collaborative activities and presentations.
- Relevant class materials will be sent to students for self-study and reviews.

Attainment Targets

- The objective is to help students acquire skills in speaking and listening, and to develop effective and functional speaking skills.
- By the end of the course students are expected to:
 - Effectively handle short conversational exchanges, use natural speech pattern and common clarification strategies.
 - Learn relevant vocabulary and expressions that will help them express their ideas better in different contexts.
