◇ Outline and characteristics of the course for Teacher Training Students

○ Characteristics of the program

The Graduate School of Education offers students the opportunity to pursue their interests individually. Some school teachers are studying at the Graduate School of Education as graduate students. So you can hear about the environment of education in school in Kagawa.

○ Number of students to be accepted: 3 students annually

○ Outline of the course

• Japanese language education

Preparatory Japanese Language Education (spanning the first six months from October 2023 to March 2024) shall be conducted under the auspices of the Ministry of Education, Sports and Technology. Courses comprising Japanese Language and Japanese Affairs are tailored to match the students' language abilities.

(Either of the following). Basic course: 12 classes per week/Inter-

mediate course: 12 classes per week / Advanced course: 12 classes per week

• Specialized training 【One-Year Course】

After language training, academic training in the major subject will be conducted for one year.

• Practical training, participatory subjects such as field trips and regional exchanges

Students shall receive dedicated supervision from their academic supervisor. In addition, students are welcomed to sit in on any graduate or undergraduate courses that are of interest to them as well as taking part in other aspects of courses, such as field trips and regional exchanges. There are also opportunities for teaching at the faculty's attached, and local, schools from kindergarten to high school level. Students are also encouraged to attend the attached schools'

level. Students are also encouraged to attend the attached schools' workshops and conferences.

◇ Follow-up for graduates

For the international graduates returning to their home countries, KU has Old Boy/Girl Alumni Associations in some countries.
