## **Class Summary**

- Students will have to prepare at least a photo taken by themselves according to the theme assigned each week. When students come to the class, they will have to tell the stories behind the photo with at least 5 sentences. The theme fixed for each week will be such as landscape, architecture, food, portrait, street view etc. Vocabularies related to each theme will be prepared by instructor in order to help the students to describe their photos. Photography skill is not the focus of this course but the ability to tell the stories behind the photo in English is.

## **Attainment Targets**

- This course aims to motivate students to speak with the help of pictures. At the end of the course, students will be able to learn vocabularies related to different themes and able to describe the photos taken by themselves in English.
