Course Overview

Youths from Estonia and Germany visit us at Kagawa University on 13th and 14th of December.

Why don't we prepare for the exchange event through this course? This course aims to help students deepen their interest in Estonia and Germany and prepare interactive events including discussion session.

This course is designed for both English beginners and intermediates.

Course Goals

Students will **acquire knowledge** of Estonia and Germany. Students will be able to **speak about a wide range of topics** including places of interest at home and themselves. Students will be able to join exchange program with the youths at Kagawa University, including discussion session.

Course Content

The first lesson will serve as an **Orientation Session**. Instructors will inform students **about skills and activities** related to the course.
