

KAGAWA University

(Kagawa Prefecture)

Each course offers students the opportunity to pursue their interests individually

◇ University overview

○ Characteristics and history

Kagawa University (hereafter, KU) was established in 1949 as a national university. In October 2003, KU merged with Kagawa Medical University to form the new comprehensive 'Kagawa University'. Currently, the university has six faculties (Education, Law, Economics, Medicine, Engineering, and Agriculture). All the six faculties have their respective master programs. In addition, the university also offers the professional MBA master program. Doctoral programs are offered in the Medicine, Engineering and Agriculture faculties.

○ Characteristics of the program

The Graduate School of Education consists of Advanced Professional Teacher Program, School Education Program, School Clinical Psychology Program and Curriculum Studies Program (Japanese Language and Literature, Social Studies,

Literature, Social Studies, Mathematics, Natural Science, Music, Art and Design, Health and Physical Education, Industrial Arts, Computer Science, Home Economics, English Language and Literature). Each course offers students the opportunity to pursue their interests individually.

○ Number of students to be accepted

5 students annually

○ Outline of the course

• Japanese language education

Preparatory Japanese Language Education (spanning the first six months from October 2018 to March 2019) shall be conducted under the auspices of the Ministry of Education, Sports and Technology. Courses comprising Japanese Language and Japanese Affairs are tailored to match the students' language abilities. (Either of the following). Basic course:12 classes per week / Intermediate course:12 classes per week / Advanced course: 12 classes per week

• Specialized training 【One-Year Course】

After language training, academic training in the major subject will be conducted for one year.

• Practical Training, Participatory subjects such as field trips and regional exchanges

Students shall receive dedicated supervision from their academic supervisor. In addition, students are welcomed to sit in on any graduate or undergraduate courses that are of interest to them as well as taking part in other aspects of courses, such as field trips and regional exchanges. There are also opportunities for teaching at the faculty's attached, and local, schools from kindergarten to high school level. Students are also encouraged to attend the attached schools' workshops and conferences.

◇ Follow-up for graduates

For the international graduates returning to their home countries, KU has Old Boy/Girl Alumni Associations in some countries.

◇ Accommodations

○ Number of rooms

• Single room:32

○ Monthly rent ¥5,900

(excluding electricity, water, and gas bills)

○ Facilities

common space: kitchen, laundry room, event hall, shower room.private space: wardrobe, bookshelf, chair, desk, air conditioner, refrigerator, bed

○ Information for Daily Life
