

FACULTY OF EARTH SCIENCE AND TECHNOLOGY ITB AND
KAGAWA UNIVERSITY JAPAN PROUDLY PRESENT

INTERNATIONAL SYMPOSIUM ON DISASTER MITIGATION RESEARCHES IN EARTHQUAKE-PRONE COUNTRIES: REAL TIME MONITORING SYSTEMS, SIMULATIONS, OBSERVATIONS, AND EDUCATIONS

AS A PART OF ROAD TO THE 2ND ISEST INTERNATIONAL SEMINAR
ON EARTH SCIENCES AND TECHNOLOGY

to bring together researchers, engineers, experts, and industry persons from a multidisciplinary background on a common platform. The objective is to present and share their latest research findings, ideas, and applications in the areas of Real time monitoring systems, simulations, observations and educations on Disaster Mitigation Researches in Earthquake-Prone Countries.

Meet Our Speakers:

Dr. Dogan Kalafat'
Bogazici University
KOERI
Turkey

Dr. Hsin-Chieh Pu
Central Weather
Bureau
Taiwan

Patria K., Ph.D.
Institut Teknologi
Bandung
Indonesia

Prof. Ying-Nien Chen
National Chung Cheng
University
Taiwan

Dr. Irwan Meilano
Institut Teknologi
Bandung
Indonesia

Dr. Ceren Sözdinler
Gebze Technical
University
Turkey

Dr. Isouchi Chikako
Kagawa University
Japan

Dr. Astyka Pamumpuni
Institut Teknologi
Bandung
Indonesia

Prof. Yoshiyuki Kaneda
Kagawa University
Japan

Dr. Ranjan K. Dahal
Tribhuvan University
Nepal

Dr. Nonomura Atsuko
Kagawa University
Japan

Monday 5th of December, 2022
09:00 - 16:05
Indonesia Time (GMT+7)
